

PROFESSIONAL LEARNING COMMUNITIES

Ensure Collaboration. Deliver Excellence.

WITH DR. KELLY GILLESPIE

ARE YOU READY TO...

- Build a robust, results-based infrastructure.
- Reflect on the power of collaboration.
- Share leadership across your organization.

“

Creating a collaborative culture is the single most important factor in school improvement for those seeking to enhance the effectiveness of teaching and learning. ”

-R. DuFour & B. Dufour

ADMINISTRATORS WILL...

- Consider the role of building leaders in systematic school improvement.
- Learn how to shape a culture that supports PLCs.
- Develop a roadmap for PLC operation.
- Outline leadership moves to build capacity and sustain effective PLC infrastructure.

**The result? Innovation is unleashed. Teacher self-efficacy flourishes.
Success for every student becomes a reality.**

Be solution-focused.

Ensure collaboration. Deliver excellence.
